Bisbee, August 3, 1896.  
MARRIAGE COLUMN.  
Henry Wilson, foreman at the converter plant here, returned this evening from a bridal expedition way back to Nova Scotia. His wife accompanied him and we hope that she will find life in Bisbee so pleasant that she will never regret the change great as it may seem at first. They have our very best wishes for prosperity.  
The marriage of Mr. Fred Weimer and Miss Mary Clifford took place at the residence of Liza Clifford, father of the bride, at Don Luis station at 2 p. m. yesterday. The ceremony was performed by the Rev. J. G. Prichard, W. A. Harvey acting as best man and Mrs. Frank Armstrong as bridesmaid. The wedding was almost a family affair as only about three or four of their most intimate friends were present. In behalf of their numerous friends we wish them a happy and successful voyage down the stream of married bliss, and will leave all friendly demonstrations to the small boys who undoubtedly serenaded them this evening.  
Talking about marriages, we also hear that Mr. Clifford's youngest brother is to be married tonight in St. David. He is the last of a family of ten to be joined by the happy bands, and we must say that the family has certainly had their share of good fortune.

COPPERINGS  
John S. Williams took another trip to Tombstone on official business this morning.  
Sam King came in for a short time today from the custom house. He reports everything first-class.  
Robt. H. Grant and wife left our burg for Clifton this morning. Bob has been with us for quite a while now and has made many friends here. He likes Bisbee and would not have left but for his health which has been rather poor for some time past. He thinks the change from here to Clifton will make him feel better. He says he thinks he will remain there, but we think he'll take a notion and return after a few months. They all do and we don't think Bob will be an exception to the rule.  
The latest fad in Bisbee is the bread baking social. Parties visiting others, instead of being given refreshments with cake or some delicacy, are made grateful by a luncheon of good fresh bread and butter. This, like most other fads, had its beginning in a mere accident. Some of the people made a call on some friends rather unexpectedly and at a rather inopportune time; their friends had just run out of the standard entertaining commodities and were compelled to make their excuses, adding in a joking manner, that they had a stock of nice fresh bread and butter. The mention of these appealed to the plebian, restaurant-fed nature of one of the party, and he requested the folks to trot it out. The result was a sociable bread party enjoyed by the company and a square meal for our hungry friend. The affair, however, was voted a complete success, and since then has made rapid progress into popular favor.

A CHANCE TO MAKE MONEY.  
I have berries, grapes and peaches a year old, fresh as when picked. I use the California Cold process, do not heat or seal the fruit, just put it up cold, keeps perfectly fresh, and costs almost nothing; can put up a bushel in ten minutes. Last week I sold directions to over 120 families; anyone will pay a dollar for directions, when they see the beautiful samples of fruit. As there are many people poor like myself, I consider it my duty to give my experience to such, and feel confident any one can make one or two hundred dollars round home in a few days. I will mail sample of fruit and complete directions, to any of your readers, for eighteen two cent stamps, which is only the actual cost of the samples, postage, etc. to me.
